Wedding Packages.

Standard Wedding Package.

Our Standard Wedding package consists of the following.

- Our LED Star Cloth with white top cover.
The colour of LEDs can be set as one static colour, fade into different colours or even set as white light.
- Full Sound equipment, which consists of 2 x Black 2000w 15" Top Speakers with 2 x Black 1250w 18" Speaker subs.
**Venue depending – Venues with sound limiters will only require top speakers as may otherwise trigger the limiter.*
- LED Dance floor lighting effects.
These are 4-in-1 LED light effects, which are designed to fill the room. Further lights are available but not normally required.
- White Light Stand Covers with a single uplighter underneath each one.
The colour of LEDs can be set as one static colour or fade into different colours.
- A DJ supplied from 7pm-12pm (5 hours of music).
Times may be adjusted, but an increase in playing time will incur additional charges.

Luxurious Wedding Package.

Our Luxurious DJ package consists of the following.

- All items described in the Deluxe Wedding Package.
- 6m Wide x 3m High White LED Backdrop.
Go the extra mile with your wedding package and add the white LED backdrop. This can be set up the day prior for you to have behind the Top table. The backdrop can then be moved to behind the DJ's for the evening reception.

A deposit fee of £200 will apply for Luxurious Package.

The Grand Wedding Package.

The most glamorous package available!

Our Grand Wedding package is the crème de le crème. Why not go all out and make your wedding day one that never will be forgotten.

The Grand wedding package consists of the following.

- All items described in the Luxurious Wedding package.
- Background Music during the Wedding Breakfast.
Maximum of 2 Hours.
- White LED Dancefloor.
An additional hour set-up/ pack-down will be required, please clarify with the venue that they would be willing to allow an extra hour after the music finishes.

A deposit fee of £300 will apply for The Grand Wedding Package.

Additional Extras and Charges.

White LED Dance floor.

Dance the night away on our White LED dancefloor. Our Dancefloor can be hired as a standalone service. Our dancefloor takes 60 minutes to set-up and clear away. Please ensure your venue is aware of this.

White LED Backdrop.

Add our backdrop to your wedding day and create the extra sparkle. WE can set our backdrop up prior to the wedding breakfast and return the same night to take it away.

Our backdrop can be hired as a standalone service.

4ft MR & MRS.

Hire our 4ft Mr & Mrs letters for your wedding. These can be delivered the morning of your wedding and collected at the end of the night.

4ft LOVE Letters.

Hire our 4ft LOVE letters for your wedding. These can be delivered the morning of your wedding and collected at the end of the night.

Damage Waiver.

We offer Damage waivers for our products. Our £30 Damage waiver can be added with any wedding package and covers any accidental damage caused to the Backdrop or 4ft Letters, whilst Blu Ice Roadshow are in attendance. Our £50 waiver can be added to any standalone hire of our 4ft Letters, Backdrop and Dancefloor.

It is the hirers responsibility to ensure reasonable care when hiring our products. Any neglect, deliberate or malicious damage and signs of misconduct will not covered under the waivers. Please refer to the full terms and conditions.

Confetti Cannon.

Create that magical first dance with our silver and white confetti cannon. Our cannons help to create some amazing first dance pictures!

Flame Lights.

A nice special effect flame light. These lights are at floor level and create the effect of 'real' flames. Similar to the LED uplighters, these can also be set to a static colour, colour fade and even strobe effect.

Music during Wedding Breakfast - (2 Hours).

Our DJ will set up all equipment prior to the sit down meal. We will then play, relaxed and chilled background music, which may consist of acoustic covers from different artists. Our DJ will leave the room whilst the foods served, but on hand nearby if required for any reason.

Photo Slideshow.

A photo slideshow, using a projector and screen. Photo's need to be received by us at least 3 weeks prior to the event, to allow editing and the slide show to be created.

Additional hours - £50 Per Hour.

An additional charge of £50 per hour is required to extend music playing times above the package hours.

Morning Set-up.

A service that we do not charge for, but available to our clients if specifically requested. This is only available for Wedding Packages and venue location depending. Prior agreement required.

Photos & Customer Satisfaction Survey.

Josh and Dan are keen amateur photographers and on occasions may take photos during your event. These photos are of course free of charge to you, and a special link sent so you can view and download the pictures. The pictures will be available for a maximum of 4 weeks, starting from when the links sent.

Any photos taken may also be used our social media galleries. Josh and Dan also like to get your thoughts and feelings after the event and will send you a link to a short survey, which take 5 minutes to complete, to give your feedback.
